Reasons for Allowance

The following is an examiner's statement of reasons for allowance: the claims have been amended to further define the tissue treatment structure to include a plurality of tissue piercing electrodes and to define the particular visual indicators used to show temperature and time data. There is no suggestion in the prior art to modify the Hallock et al ('022) reference, the closest prior art, with the tissue piercing electrodes and visual indicators as now recited in the claims. It is noted that method claims 23-29 have been amended to provide the necessary active method steps to clarify the claims and obviate the 35 USC 112 issues.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael Peffley whose telephone number is (571) 272-4770. The examiner can normally be reached on Mon-Fri from 6am-3pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Linda Dvorak can be reached on (571) 272-4764. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
